Frankie is green and very tall. He has yellow eyes, black hair and a small nose. He also has enormous hands and feet. He isn't pretty. In fact, he's very ugly and people call him a monster. They are afraid of him and always run away when they see him. But Frankie isn't bad! He is an intelligent man and he loves reading. He has a lot of books in his little house.

He likes writing stories. He sells his stories to make money. He also likes using his computer and the Internet to write to people. They don't know that he is ugly and they enjoy his letters. They sometimes ask him for his photograph, but Frankie never sends it.

Frankie enjoys gardening. There are a lot of vegetables, fruit trees and roses in his big garden. He loves roses! He puts bread out in the garden for the birds so there are a lot of birds too. They are not afraid of him!

Frankie never eats meat. He doesn't like it. He eats vegetables, fruit and bread. Because he doesn't like it when people run away from him, he orders all his shopping by the Internet. The shop delivers his shopping to his house. In this way, people don't see him and he feels happier. And when it is raining he doesn't have to go out of the house.
